

## School Art 2020 Website Instructions

The Esplanade is very excited to present the 43<sup>rd</sup> annual School Art Exhibition in a virtual format this year. We were thrilled to have students, parents and teachers submit the artworks online so that we can keep the tradition alive.

We want our youth to know how important they are to us at the Esplanade and all around our community. Their creativity brightens our lives and their beautiful art is such a great way to transition from Spring to Summer every year. We did not want to miss out on their amazing talent and wonderful spirit.

For the first time, the School Art exhibition can be viewed on your computer, as well as on the Artsteps app on your smartphone. The use of the app on your smartphone also allows a VR experience if you have a VR device at home. (**SEARCH: “Esplanade”** once inside the app.)
