

Summer art camp 2017 will be held in the Esplanade Discovery Centre and will utilize the Art Gallery, Museum, and local environment for inspiration. Campers will explore their creativity through a variety of mediums including pastels, paint, ink, plaster, printmaking and more!

Projects and art activities challenge children while instructors offer plenty of encouragement to provide for a safe environment that promotes exploration, creativity and expression.

Age 13-15 » Youth Open Studio » July 10 - July 14

Participants are invited to experience open-ended projects across all mediums in a studio setting. Projects include figure drawing, sculpture, and printmaking. Participants will also plan and host a small exhibition of their best work produced during the week.

About the Instructors

Chantel Schultz, Instructor, is graduating this year from the Visual Communications program at Medicine Hat College with an interest in painting and video projects. She grew up in Weyburn, SK where she spent two summers instructing children's art programs at the Signal Hill Arts Centre. There, she discovered how rewarding it was to pass on her art skills. She enjoys the lessons in creativity that she gets through the minds of the children she teaches. It is her second year here.

Shayla Bennett, Instructor's Assistant, Shayla Bennett was born and raised in Medicine Hat. She is completing her second year of Education at The Medicine Hat College, and transferring to the University of Lethbridge coming this fall. Shayla loves being around children of all ages. She also loves to see their creative minds come to life in a project. Shayla is excited to meet all of the children this summer and explore their artistic side.
